SPEAKMAN® ADD-ON FAUCET FOR 5811 FAUCET

The SE-9200 Eyewash add-on provides an ANSI compliant eyewash solution with no additional plumbing required.

Unit connects directly to the cold water integral stop port of any installed Speakman SC-5811 service sink faucet.

A special adapter fitting replaces the 5811's integral cold water stop permitting both units to operate independently of each other or simultaneously -- and there is never a worry about delivering scalding water to the eyes.

9SP9200-Y (SEF-9200)..... **\$326.99**
