**OUR MOST POPULAR CHEMICALS ON SALE FOR SUMMER MAINTENANCE!**

**TRAP SEAL** is a specially engineered liquid that seals drain traps to prevent odors and preserves a sanitary “septic seal.”
- Prevents sewer gases and odors from entering from trap.
- Use whenever traps dry out, are not in use, are in remote areas, or where odors are a problem.
- It’s tenacious, and won’t be flushed out of drain easily.
- Use for floor, sink, & shower drains, toilets & urinals, drinking fountains, and condensate drains.
- TRAP SEAL is concentrated and ready-to-use directly from its quart container.

**POWER MAX** is a highly concentrated mixture of naturally occurring bacteria and enzymes for safely opening clogged drains and preventing the build-up.
- 100% non-toxic formula for use where liability, safety, and environmental impact are important.
- Can be used as a drain maintainer & deodorizer.
- Will not harm piping, valves or seals.
- Adds beneficial microbes to septic systems.

**ICE MACHINE CLEANER** will remove scale buildup from ice machine systems, allowing for longer operational life.
- No fumes, no chlorides.
- Safe to use on stainless steel.
- Adds beneficial microbes to septic systems.

**ICE MACHINE CLEANER** is a specially engineered liquid that dissolves lime, scale, uric salts, and mineral deposits.
- Safer to use, store, and carry than sulfuric.
- All purpose, Viscosity - 92-99
- Withstands hi temps to 140º

**ICE MACHINE CLEANER** is a specially engineered liquid that removes scale, slime, and deposits from ice machines for clean, cold, and taste free ice.
- USDA authorized.
